Pharmacy Technician

Ottumwa, IA

- Data entry for patients, filled patient prescriptions. Made outgoing calls to patients and clinics to verify prescriptions.

## PERSONAL

I've always enjoyed working with computers since I was young, so I decided to pursue my passion and earn a degree in Computer Software Development. While in school, I participated in the computer club and Byte Jam, a coding competition, both years while enrolled. My team placed first in our division for the 2015 year.
